INTEREST SHOWN IN REGISTERING AT POLLS TODAY

Both Parties Seem to Have Good Organizations in the City and General Registration Day Takes On Old Time Appearance in Some Wards.

There was unusual interest shown in registration in the city of Maysville today. In fact there have been few registrations in recent years in which the same amount of interest has been manifested. This being the year for the election of governor is directly responsible for this interest. Both parties show that they have good organizations perfected and a warm fight in November is thereby forecast.

While there were many voters either out of the city or ill, there were many more registrations counted than is usually the case and there is absolutely no doubt but that when the polls are closed at 9 o'clock tonight quite a healthy increase will be shown in both ranks.

Persons who have not yet registered are reminded that the polls will remain open until 9 o'clock this evening and they have yet time to visit the polls in their voting precincts and have issued to them their registration certificate which will permit them to vote in the November election. Remember that if you are a voter in the City of Maysville and your name is not on the registration book on election day, you will lose your vote. Go Register NOW.

BUREAU MEMBERSHIP CONTINUES TO GROW

Workers reported to local headquarters of the Mason County Bureau this morning more new members to the organization making a total membership of 168 thus far obtained in the special campaign staged last week and which will be continued in some districts where the workers were too busy in their farm work to give the campaign their attention.

SUICIDE SCARE ON SHORT STREET MONDAY EVENING

West End of the City Considerably Excited When Mother Finds Suicide Note Left By Daughter—Girl Is Found Hale and Healthy.

There was considerable excitement in the neighborhood of Short street Monday night when the neighborhood was called out by the screams of a Mrs. Ham, residing in one of the Cotton Mill houses on Short street. The woman soon let it be known that she had found a note in her house supposed to have been written to her by her daughter informing her that the girl was going to the Ohio river to end it all.

The police were attracted by the crowd and the noise and when the crowd had reached almost enough to block the street and arrangements were about to be made to search the river at the Short street grade for the body, the young lady walked down an alley into Short street.

AUTO GOES THROUGH LEWIS COUNTY BRIDGE

The Lexington Leader says: A moving van belonging to E. B. Allender, of this city, went through a bridge on the road between Maysville and Vanceburg Saturday, while in charge of his son, Harry Allender. Particulars have not been received here, but Mr. Allender has gone to Maysville to take steps looking to the extrication of the truck.

ONE THOUSAND DOLLARS IS OUR SHARE OF BIG FUND

Mason County Is Asked to Contribute One Thousand Dollars to Roosevelt Memorial Fund.

The Roosevelt Memorial Association gives the people of the prosperous county of Mason the privilege of subscribing One Thousand (\$1,000) Dollars, as a testimony of their appreciation of the character and Americanism of Theodore Roosevelt.

The Roosevelt Memorial fund is to be used for three purposes: (1) to erect a suitable memorial in Washington, D. C.; (2) to purchase property adjoining Colonel Roosevelt's home at Oyster Bay, which is to be converted into a national park, with the idea of ultimately acquiring the home at Sagamore Hill; (3) to establish an endowment fund for the perpetuating of Colonel Roosevelt's ideals of stalwart Americanism and a "Square Deal."

Every subscriber to the fund will have his or her name permanently enrolled and kept at the Washington Memorial, to be seen by all people as long as the Memorial stands. Every man, woman and child who subscribes will be a permanent member of the association and will be issued a certificate which can be framed, and will have a vote as to the object for which the endowment fund will be used. Since this is a popular movement, no restrictions will be placed on the contributions; and donations from the humblest citizens and young children will be as much appreciated as donations from the more prosperous; for this is as Colonel Roosevelt would have had it.

Our honored fellow townsman, Judge A. M. J. Cochran, is a member of the state executive committee. The following public spirited citizens have kindly consented to act as a membership committee, and will, at their respective places of business, receive subscriptions:

Mr. A. M. January at the State National Bank.
Mr. James E. Threlkeld at the Bank of Maysville.
Mr. C. L. Wood at the Farmers & Traders Bank.
Mr. Sanford H. Roff at the Bank of Maysville.
Mr. R. G. Humlong at the Bank of Germantown.
Judge H. P. Purnell and Miss Elizabeth P. Johnson have also kindly consented to act respectively as Treasurer and Secretary.

Now, the time is too short in which to effect any elaborate organization, nor should it be necessary. Therefore, by authority of the State Chairman, I hereby appoint for the enterprise each and every public-spirited citizen a committee of one to do his or her part in upholding the traditions of our beloved county in its devotion to the ideals of the Republic. The Nation will undoubtedly respond most generously. Indeed, when the movement started, the men at the initial conference were willing to underwrite a fund of Ten Million Dollars, but that is not what Colonel Roosevelt would have wished nor what his family desire. So, the only question confronting us of Mason county is shall we continue true to our traditions and have a part in this great enterprise? The opportunity has come. What will you do?

A. D. COLE,
County Chairman.

STATE NATIONAL BANK GETS 100 PER CENT CERTIFICATE

Another Local Bank Gets Special Recognition From Federal Reserve Board For Patriotic Services in Financing the War.

The State National Bank has just received from the officials of the Federal Reserve Bank at Cleveland a beautifully lithographed certificate similar to that received by the Bank of Maysville a few days ago signifying that this institution is classed as one of the One Hundred Per Cent Patriotic banks of the nation.

The certificate shows that the State National during the last or Victory Liberty Loan campaign sold 100 per cent, or more of their apportionment of Victory bonds.

This certificate is something of which the officers of the local bank can well afford to feel proud. It will be framed and hung in the bank as a gentle reminder in the days to come that the State National did their part and more in financing the great World War.

The regular monthly meeting of the Mason County Fiscal Court was held this morning in the office of the County Commissioners at the Court House with all commissioners present and County Judge H. P. Purnell presiding.

Probably the most important business transacted at this session was the re-election of Mr. George Kirk, our successful County Agent. THE SOX PROLONG SERIES, WINNING IN EXTRA INNING

White Sox Defeat Cincinnati Reds in Tenth Inning By Score of 5 to 4 In Tuesday's Game.

The White Sox won the first extra inning game in the World Series at Redland field Cincinnati this afternoon by a score of 5 to 4 making the deciding run in their half of the tenth and the mighty Reds were unable to tie the game in the last half.

Gleason chose Kerr to do the twirling for the Sox while Pat Moran sent Reuther again to the mound for the Reds. He was taken out in the seventh however when the heavy hitters from Chicago made three runs off him in the sixth. Schalk worked behind the bat for Chicago and Rariden held the same position for Cincinnati.

Cincinnati scored first in the third innings when they put over 2 runs and they did the same thing in the fourth. Duncan doubled in the third inning making the first runs of the game.

The winning of this game by Chicago means that there will be another game played at Cincinnati on Wednesday. The Reds still have the edge on the championship.

The score follows:

1 2 3 4 5 6 7 8 9 10—R H E
Sox . . . 0 0 0 1 3 0 0 0 1—5 10 3
Reds . . . 0 2 2 0 0 0 0 0 0—4 11 0
Batteries: Chicago—Kerr and Schalk; Reds—Reuther, Ring and Rariden.
